AGREEMENT

I understand and agree to pay Yuma County Clerk and Recorder's Office a yearly payment of \$3000 for on-line access to county recording information and images with the ability to print unlimited copies as needed. I understand that the on-line images available coincide with the records that have been indexed to date through the Clerk's electronic recording system.

I agree to prepay for this service. Payment must be received prior to close of business the last business day of subscription period or service availability will be interrupted.

I understand that changes in the yearly fee may be made at any time and are handled at the discretion of the Yuma County Clerk. I will be notified of these changes by said Clerk.

I understand that once my initial payment is received, Yuma County will set up my account and e-mail the login information to me. I understand and agree that this account is to be used solely by my organization and will not be shared with others, including but not limited to any person(s), business, group, entity or user. Violation of any of the aforementioned rules constitute grounds for termination of the agreement and services at the sole discretion of the Yuma County Clerk.

I understand that if any address, billing or contact information changes, it is my responsibility to contact the Yuma County Clerk and Recorder's Office with those changes.
