Rural Communities Opioid Response Program-Impact

Application submission deadline: June 1, 2026

Purpose: The purpose of RCORP – Impact is to improve access to integrated and coordinated treatment and recovery services for substance use disorder (SUD), including opioid use disorder (OUD), in rural areas. Ultimately, RCORP-Impact aims to address the SUD/OUD crisis in rural communities and promote long-term, sustained recovery.

Goal 1: SUD Direct Service Delivery: Establish or expand coordinated, comprehensive, and evidence-based SUD, including OUD, prevention, treatment, and recovery services.

Goal 2: 2. Supportive Services: Establish, expand, or enhance coordination with supportive social services to ensure that rural individuals and families impacted by SUD have the greatest opportunity possible for sustained, long-term recovery.

Goal 3: 2. Supportive Services: Establish, expand, or enhance coordination with supportive social services to ensure that rural individuals and families impacted by SUD have the greatest opportunity possible for sustained, long-term recovery.

Goal 4: 3. Workforce: Develop a responsive SUD workforce, which includes both clinical providers with various scopes of practice and peers.

Goal 5: 4. Network Engagement and Sustainability: Engage a multi-sector network to deliver RCORP-Impact services in the target rural service area and ensure the continued availability of services after the period of performance.

Eligibility: Eligible applicants include all domestic public or private, non-profit and for-profit, entities.

Application Process: Links to application instructions and the online application portal are available on the program website.

Rural Communities Opioid Response Program-Planning

Application submission deadline: May 29, 2026

Purpose:

Goal 1: Support a network of committed partners that can establish, implement, and sustain SUD and related behavioral health prevention, treatment, recovery, and other supportive services in rural areas.

Goal 2: Create action plans to increase the number, types, and/or caseload capacity of SUD service access points in rural areas that respond to documented community contexts and needs.

Goal 3: Strengthen the capacity of service providers and organizations so they can deliver high-quality, comprehensive care.

Goal 4: Strengthen the capacity of service providers and organizations so they can deliver high-quality, comprehensive care.

Eligibility: All domestic public and private entities, nonprofit and for-profit, are eligible to apply, assuming they meet RCORP requirements.

- **Lead Applicant Specifications:** The lead applicant may be located in an urban or rural area, but all activities supported by this program must exclusively target populations residing in HRSA-designated rural counties or rural census tracts in urban counties and the consortium overall must be representative of rural. If the lead applicant is an urban entity, at least two consortium members involved in the proposed project must be located in HRSA-designated rural counties or rural census tracts in urban counties. To ascertain whether a particular county or census tract is rural, please refer to <http://datawarehouse.hrsa.gov/RuralAdvisor/>.

Application Process: Links to application instructions and the online application portal are available on the program website.
