

Ballot Measures

Ballot questions referred by the general assembly or any political subdivision are listed by letter, and ballot questions initiated by the people are listed numerically. A ballot question listed as an "amendment" proposes a change to the Colorado constitution, and a ballot question listed as a "proposition" proposes a change to the Colorado Revised Statutes. A "yes/for" vote on any ballot question is a vote in favor of changing current law or existing circumstances, and a "no/against" vote on any ballot question is a vote against changing current law or existing circumstances.
