# SAMHSA: Screening, Brief Intervention and Referral to Treatment Program

**Deadline:** April 12, 2024

**Purpose:** This program (short title SBIRT) provides grants to implement screening, brief intervention, and referral to treatment services for adolescents and adults in primary care and community health settings with a focus on screening for underage drinking, opioid use, and other substance use.

Among other things, this program is intended to expand and enhance the continuum of care for substance use disorder (SUD) services and reduce alcohol and other drug (AOD) consumption, reduce high-cost service utilization, and promote sustainability and the integration of behavioral health and primary care services through policy changes that promote access to generalist and specialist care.

**Areas of Focus:** Treatment

**Amount of Funding:** \$995,000

**Project period:** 5 years

**Eligibility:** Eligible applicants include states and territories, political subdivisions of states, tribes, tribal organizations, health facilities, programs operated by or in contract with the Indian Health Service, and other public or private nonprofit entities.

Facilities include, but are not limited to:

- Health centers
- Hospital systems
- Health maintenance organizations (HMOs)
- Preferred-provider organizations (PPOs)
- Federally Qualified Health Centers (FQHCs)
- Behavioral health centers
- Pediatric healthcare providers
- Children's hospitals
- Schools

**Application Process:** Links to the full announcement, [application instructions](#), and the online application process are available through [grants.gov](#).

**Link to grant:** <https://www.ruralhealthinfo.org/funding/4285>

**Sponsors:** Substance Abuse and Mental Health Services Administration (SAMHSA), U.S. Department of Health and Human Services

**Areas of Consideration:**

- Organizations that already have SBIRT programs

# SAMHSA: First Responders-Comprehensive Addiction and Recovery Act

**Deadline:** April 15, 2024

**Purpose:** The purpose of this program is to provide resources to support first responders and members of other key community sectors on training, administering, and distributing naloxone and other Food and Drug Administration (FDA)-approved overdose reversal medications or devices. Recipients will be expected to establish processes, protocols, and mechanisms for warm hand-off referrals to appropriate treatment, recovery, harm reduction, and other psychosocial resource support services. Recipients will also provide safety education around fentanyl, synthetic opioids, and other drug trends associated with overdoses.

**Areas of Focus:** Treatment and Recovery

**Amount of Funding:** \$6,200,000

**Project period:** Not specified

**Eligibility:** Eligibility for this program is statutorily limited to states, local governmental entities, and American Indian/Alaska Native (AI/AN) tribes and tribal organizations.

**Application Process:** If you are applying for a SAMHSA grant, you must download the application forms found on [Grants.gov](https://www.samhsa.gov/grants). You may require [additional forms found on the SAMHSA website](#). Read the [FY 2024 Notice of Funding Opportunity \(NOFO\) Application Guide](#) to carefully to determine which forms you must include in your application. Applications that do not include all required forms will be screened out and will not be eligible for review.

**Areas of Consideration:**

- How to connect with first responders in the region

# SAMHSA: Building Communities of Recovery

**Deadline:** April 29, 2024

**Purpose:** The purpose of this program is to mobilize and connect a broad array of community-based resources to increase the availability and quality of long-term recovery support for persons with substance use disorders (SUD) and co-occurring substance use and mental disorders (COD). Recipients will be expected to support the development, enhancement, expansion, and delivery of recovery support services (RSS) directly to individuals as well as advance the promotion of, and education about, recovery at a community level.

**Areas of Focus:** Recovery

**Amount of Funding:** \$6,000,000

**Project period:** 3 years

**Eligibility:** Eligibility is limited to Recovery Community Organizations (RCOs), defined as independent, non-profit organizations wholly or principally governed by people in recovery from substance use disorders and/or co-occurring substance use and mental disorders who reflect the community being served.

**Application Process:** If you are applying for a SAMHSA grant, you must download the application forms found on [Grants.gov](https://www.samhsa.gov/grants). You may require [additional forms found on the SAMHSA website](#). Read the [FY 2024 Notice of Funding Opportunity \(NOFO\) Application Guide](#) to carefully to determine which forms you must include in your application. **Areas of Consideration:**

- A 10% non-federal matching contribution is required.
- Was there a rural emergency medical service agency in your region that applied for this in the last round of funding (May 2023)?
- Would a rural emergency medical service agency in your region want to apply for this and have the capacity to apply for this?

# HRSA: Rural Communities Opioid Response Program RCORP-Impact

**Deadline:** May 6, 2024

**Purpose:** The Rural Communities Opioid Response Program (RCORP)-Impact will improve access to treatment and recovery services for substance use disorder (SUD), including opioid use disorder (OUD). The program will serve people and families in rural areas affected by SUD.

HRSA plans to make approximately 16 awards [under RCORP – Impact](#), which will improve access to integrated, coordinated treatment and recovery services for substance use disorder (SUD), including opioid use disorder (OUD), in rural areas. RCORP – Impact kicks off a new rural opioid treatment and recovery initiative under the umbrella of RCORP, which will focus on establishing new comprehensive substance use disorder treatment and recovery services in rural communities.

The grant can be used to meet four main goals:

1. Set up and/or expand SUD treatment and recovery services
2. Build an SUD workforce that includes peer recovery specialists and clinicians with different areas of expertise
3. Work with social services to ensure that people and families affected by SUD have a better chance for long-term recovery
4. Work to ensure that services can continue after the grant ends

**Areas of Focus:** Treatment and Recovery

**Amount of Funding:** \$750,000 each year

**Project period:** 4 years

**Eligibility:** You can apply if you're a public, private, non-profit, or for-profit group in the United States. This includes:

- Community-based organizations
- Native American tribal governments
- Native American tribal organizations
- State Offices of Rural Health
- State, local, and territorial governments
- Institutions of higher education
- Faith-based organizations

**Application Process:** To apply, please visit [Rural Health Grants Eligibility Analyzer \(hrsa.gov\)](https://hrsa.gov), [How to Use RHHub's Funding Resources and Services \(ruralhealthinfo.org\)](https://ruralhealthinfo.org), and [grants.gov/applicants](https://grants.gov/applicants).

# OJJDP: Opioid Affected Youth Initiative

**Deadline:** May 14, 2024

**Purpose:** OJJDP seeks to support the efforts of communities to develop prevention and intervention responses that identify, respond to, treat, and support children, youth, and families impacted by opioid use and other substance use disorders. OJJDP asks applicants to integrate youth and family partnership strategies into projects and partner with law enforcement, education, mental health service providers, child welfare agencies, community health agencies, and community-based organizations that address the needs of individuals and families experiencing substance use. OJP strongly encourages the use of data and evidence in program development for criminal justice, juvenile justice, and crime victim services.

**Areas of Focus:** Treatment and Recovery

**Amount of Funding:** \$750,000

**Project period:** Not specified

**Eligibility:** Eligible applicants are:

- State governments
- City or township governments
- Public- and state-controlled institutions of higher education
- County governments
- Other units of local government, such as towns, boroughs, parishes, villages, or other general purpose political subdivisions of a state
- Public housing authorities/Indian housing authorities
- Native American Tribal organizations (other than federally recognized Tribal governments)
- Native American Tribal governments (federally recognized)
- Nonprofits having a 501(c)(3) status with the IRS, other than institutions of higher education
- Private institutions of higher education
- Independent school districts

An applicant may submit more than one application if each application proposes a different project in response to the solicitation. Also, an entity may be proposed as a subrecipient (subgrantee) in more than one application.

OJJDP will consider applications under which two or more entities (project partners) would carry out the federal award; however, only one entity may be the applicant for the solicitation. Any others must be proposed as subrecipients (subgrantees). See the Application Resource Guide for additional information on subawards.
