

## YUMA COUNTY COMMISSIONERS

December 15, 2025

Minutes<sup>1</sup>

On December 15, 2025 at 8:00 a.m., the Yuma County Board of Commissioners met in regular session. Chairman Adam Gates, Commissioner Scott Weaver, Commissioner Mike Leerar, and Administrator Brandi Ritchey were present throughout the day. The Commissioners reviewed and signed accounts payable and discussed various meetings attended throughout the prior month.

### Road and Bridge

Road & Bridge Supervisor Tom Andersen, Blade Supervisor Justin Lorimer and Fleet Foreman Matt Martin joined the meeting at 8:30 a.m. to provide department updates.

- *Contracted Trucks* – Andersen presented data comparing the cost of operating county owned trucks versus contracted truck drivers. Andersen based the county's rates on loaded wages, parts and maintenance, miles driven, fuel usage and other factors. The contracted trucks came in at a higher rate. The group weighed the advantages and disadvantages of using contracted trucks noting how beneficial it is to utilize them to haul to area blades to continue normal operations while big projects were underway in other areas of the county.
- *Easement Repairs* – Andersen is still waiting for a response from BNSF Railroad regarding the necessary repairs that need to be made to County Road M, North of the railroad tracks. The commissioners would like Andersen to confirm whether the railroad company plans to charge for the flaggers they stated they would provide. If BNSF plans to charge for flaggers, the county will provide their own.
- *Road Report* – Crews have been hauling material and making repairs to County Road N, South of County Road 54 and making repairs to a two mile stretch on County Road 46.
- *Fuel* – Andersen noted that he made one last adjustment to his 2026 budget by increasing the fuel line.

### Human Services

The Board of County Commissioners convened as the Board of Social Services at 9:30 a.m. Human Services Director Kara Hoover, Income Maintenance Supervisor Dalene Rogers, Adult Protection Supervisor Hollie Hillman, Office Manager Lori Summers and IV-D Administrator Ana Moran. ### NCRETAC

The Northeast Colorado Regional Emergency Medical and Trauma Services Advisory Council serves as a collaborative network for both hospital and pre-hospital providers, supporting all emergency medical and trauma service organizations within our region to ensure equitable patient care. The group discussed the funding sources for NCRETAC. NCRETAC is primarily funded by the Colorado Department of Public Health and Environment, which receives support from the Highway User Tax Fund.
